

CITY OF LEMON GROVE
Member of the City Council

Teresa Rosiak
Medical Credentialing Specialist

Teresa was born and raised in Lemon Grove and has been actively involved in our community. Teresa is running for the City Council because she believes that NOW is the time for fresh new ideas to guide our city into the future.

Public Safety: Safety is important to our residents. Crime is never low enough if you are a victim. I will support creative ways to protect our residents and look for collaborative funding to make that happen. You and your families deserve no less!

Fiscal Responsibility: It is important that you as a taxpayer know where your money is spent. Our tax dollars need to be protected and spent wisely. I will put a stop to wasteful spending and make sure that your tax dollars are spent where YOU want them - on your streets, neighborhoods and the safety of you and your families.

As a resident and taxpayer, you deserve a leader who works for you! I will work tirelessly to make sure that your voice is heard! I'll provide the kind of independent, fiscally responsible leadership that you deserve! Vote Teresa Rosiak
